The Vacaville Public Education Foundation (VPEF) is a non-profit organization raising funds and supporting programs that enrich and improve the quality of the educational environment in the Vacaville Unified School District (VUSD). Our vision is that students leaving the VUSD will be prepared to compete successfully in both the local and global economies.

VPEF understands the school district's budget limitations and concern for potential loss of valued programs. By reaching out to a community of concerned residents and business leaders, the foundation has raised millions of dollars that have preserved many of these programs.

Grants approved since 2003 inception include:

Academics	\$691,085
Athletics	\$232,769
Health & Safety	\$251,120
Music	\$324,330
GATE	\$37,162
Counseling	\$92,020
Teacher Mini Grants	\$193,395
Class ACT	\$280,000
TOTAL:	\$2,101,881

To date, VPEF funding has made a significant and positive impact for thousands of VUSD students. The result is an improved community for us all to enjoy.
