**5<sup>th</sup> Annual VPEF Halloween Ball Was a Huge Success**

The Clowns, Magicians, Spider Webs, Witches, Ghosts and Goblins have all been put away and VPEF's 5<sup>th</sup> Annual Halloween Ball was a huge success. Held at the Harbison Event Center at Nut Tree on Saturday, October 30<sup>th</sup>, ticket holders were able to celebrate Halloween with costumes, Halloween decorations, food, and entertainment by local band Ruby Lane and DJ Greg Gmahling. "The night was fantastic, the costumes were creative, food was great, and everyone seemed to really let loose and have a lot of fun." announced committee chair Jamie Healer.

Net proceeds from the ball will help fund the Vacaville Public Education Foundation, whose goal is to support and enrich school programs, sports, music, technology, wellness and literacy. "The Ball was a financial success for VPEF. The night would not have been possible without the committee, volunteers and our Major Sponsors; Kaiser, Genentech, Nut Tree, Jelly Belly, Rotary, Les Schwab, Soroptimist, Recology, Tableaux, Vitus, Blue Ridge Family Dental, Blue Mountain Realty, Wells Fargo, NorthBay Healthcare, Carpenters Local 180, Ambiance Interiors, Travis Credit Union, McDonalds, Kivelstadt, and all of the local publications that supported the event with ad space", said Healer.
